- No electricity
- No addition of chemicals
- Easy, quick installation

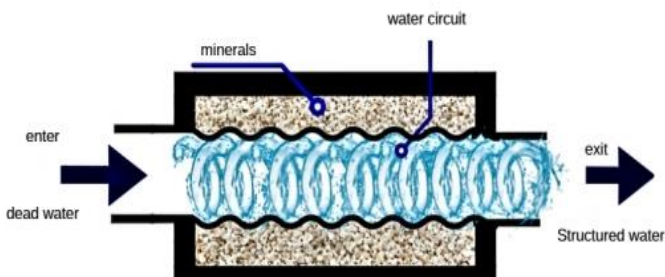

### E-ACTI'WATER is The SOLUTION

Private individuals,  
Industrial plants,  
Communities,  
Agriculture, Fish  
farming, Ponds,  
Pools, Irrigation, etc

...

### DIAGRAM AND OPERATING PRINCIPLE

*Dead water enters the  
E-ACTI'WATER system.*

*E-ACTI'WATER is essentially composed of minerals.  
Through the vortex movement  
and the combination of minerals the water emerges structured.*
